"Awareness Campaign for students"

Date: Saturday, August 12, 2017

A lecture program was organized at Krishna college by the center for Gender studies on Saturday. The topic of the lecture, which was delivered by Health and Wellbeing coach Nutan Sharma and Dr. Anita, focused on identifying the impact of sanitary napkins on health.

In this program, students were made aware, and their problems were addressed through various suggested solutions.

Principal Dr. R.P. Saini praised the program and emphasized the need for organizing such events from time to time. The following played an active role in the successful execution of the program:
